- Made in the USA
- Names on all 4 sides

Cemetery Grass

Tuf Turf cemetery grass looks like real grass. But unlike real grass, Tuf Turf is practically indestructible due to quality materials and workmanship.

Tuf Turf grass sets come in a rich deep color-permanently dyed to true-to-life blades of grass. Tuf Turf is non-water absorbent and is the most pliable grass available. It is easily "hosed off" to look fresh and clean for each set up. Primary backing is thirteen pick-treated and heat-set; secondary backing is uraloc, which gives soft, pliable grass in any extreme weather condition. Tuf Turf comes in a wide range of sets to fit all applications. It can be cut to your specifications 3', 6', or 12' widths.

- CFS-P-6 (2-6x14, 2-6x8,2-T) Grass Set- \$537.00
- CFS-P-6A (4-6x14, 2-6x8, 2-T) Grass Set- \$754.00

- CFS-P-3 (2-T) Grass Set- \$143.00
- CFS-P-4 (2-3x9, 2-3x8, 2-6x14) Grass Set- \$407.00
- CFS-P-4A (2-3x9, 2-3x8, 4-6x14) Grass Set- \$651.00

Device Stands & Equipment

Frigid Lowering Device Stand

Frigid Regular Stand 3-STD1011S- \$995.00

The original lowering device stand provides a sturdy base for the display of your casket lowering device during service. It stands 14" high and is made with stainless steel corner post tubing. All other tubing is polished aluminum. Weight: 50 lbs.

Frigid Telescoping Stand 3-STD1007S- \$1495.00

Constructed of the same materials as the original lowering device stand, the telescoping model is fully adjustable for hillside setup. One end of the telescoping stand adjusts from 10" to 18" while the other end adjusts from 14" to 26". Weight: 95 lbs

The Frigid Master™ casket lowering device is a high-grade

lowering device specifically designed for everyday heavyduty use. The load bearing components of the Master™ are

twice the size of those found in the Imperial™ device, making it the safest and most durable device manufactured by Frigid. Compared to the Imperial™, the corner housings are more spacious, making repairs and maintenance much easier. With a 1000 pound weight capacity, it is an ideal choice for lowering a casket and fiberglass vault combo. Weighing 130 pounds plain, the Master™ is designed for a two person setup.

The Master™ is available in two models: the Cemetery model or the Funeral Director model, and comes with stainless steel tubing. The device telescopes from 62" x 26" to 94" x 38".

All Master™ casket lowering devices are available in the following packages:

Master Plain -- 3-MAS4901SK- \$3,554.00

Lowering Device, Strap Set, Crank Handle

Master Placer Set -- 3-MAS4901SP- \$4,554.00

Lowering Device, Strap Set, Casket Placer Set, Crank Handle

Master 3in1 Combo

Lowering Device, Strap Set, Casket Placer Set, Drapes
Regular OR Telescoping Stand

Reg Stand 3-MAS4902S- \$5,729.00

Tele Stand 3-MAS4903S- \$6,374.00

Crushed Velvet Black or Burgundy Church Truck Drapes

The Black Velvet MOBI Frameless Church Truck Drape is family to our premium crushed velvet series, offering a timeless elegance that is crafted for many years of use. We add an additional fluid resistant material under the top for extra protection from use. The reinforced grommets hold the drape securely in place, fits snug so the drape shows with consistency, while also preventing the wheels from "catching" the fabric with our integrated liner backing throughout the drape.

Premium Material, Durable & Designed to Last

8 Reinforced Grommets

12 Pleat Design, Classy Crushed Velvet

Double Layered Inset Fluid Resistant material under top

Heavy gauge backing for long wear and tear

Casket Jockey

Casket Jockey- CJ-1 \$495.00

- The only way to take caskets from vertical to horizontal....and back again.
- Makes loading taller vehicles easy work....even if you are doing it alone.
- Helps to reduce injuries resulting from casket falling.
- Allows less capable workers to do the work effectively.
- Rolls quietly and effortlessly on 5" casters.
- Built in Iowa...
 - to last—all welded construction
 - to look good...and powder coated to keep looking that way
 - to make your work less like work

58 lbs

22" wide x 36" long x 29" tall

Wauk Board

The WauK® board is lighter and narrower than standard cots. With a 500-pound capacity, this lightweight 30-pound tool gives funeral directors and coroners a new way to remove the deceased with dignity and respect. Instead of dragging the deceased to a cot, place a WauK® board directly next to the deceased and respectfully "log roll" them on to the WauK® board. The process is easier on the funeral director's body and is more tactful in the presence of loved ones.

The WauK® board is the only removal device that allows either one or two people to lift and then roll a decedent during removal. Quick disconnect handles make it easy to move the deceased into an upright position and maneuver around corners, down stairs, through tight spaces. Sturdy wheels smoothly handle deep pile carpet. And, an extra handle in the large footrest gives an assistant an easy way to help navigate down stairs, over bumps, and into the service vehicle.

Once in the service vehicle, WauK® board's handles function as a brake. The entire board is impervious to bodily fluids and can easily be cleaned/decontaminated.

Wauk Board

WBF120-GR- \$1,025.00

Attributes:

- Lightweight
- Capacity: 500 lb.
- Reinforced for extreme rigidity
- Impervious to body fluids
- Easily decontaminated
- Thick wheels roll over deep pile carpet
- Large footrest
- Convenient handle in footrest
- Easy storage in service vehicles

Dimensions:

- overall length 76.5"
- length from top of foot rest to head of board 71"
- width 17.5"
- thickness 2"
- thickness at wheels 3.5"

Casket Displays

Lightweight Casket Display

CD-B6000- \$350.00

Funeral Home Furniture

Seville- Howard Miller Clock

611-032- Sugg. retail: \$5,175.00

CSC Introductory Price: \$3,620.00

Black Coffee finish on select hardwoods and veneers.

This classically inspired floor clock makes

a grand addition to our Furniture Trend Designs.

The simple, yet elegant, flat top pediment of this floor clock is reminiscent of classic Greek and Roman architecture.

The door is flanked by twin canted columns with turned top and bottom caps.

The crisp, white dial is framed by a brushed-nickel bezel and features applied, brushed-nickel Arabic numerals with a black screened minute track and nickel hour and minute hands.

The brushed nickel-finished grid pendulum and nickel-finished weight shells complement the bezel.

Clean lines and a simple cutout on the base complete the composition.

All glass panels on the front and sides are beveled.

In addition, the upper side glass panels are removable, allowing easy access to the movement.

A high-precision, German-made, Kieninger® Cable-driven, triple-chime movement plays choice of Westminster, St. Michael, or Whittington 1/4, 1/2, and 3/4 chimes accordingly with full chime and strike on the hour.

Automatic nighttime chime shut-off option.

Adjustable levelers under each corner provide stability on uneven and carpeted floors.

Free nickel Heirloom nameplate will be engraved with your name and special date.

Free Heirloom Record Document with nickel-finished capsule is included.

Locking door for added security.

2 year warranty on parts and workmanship.

Designed and Assembled in the USA.

Overall Dimensions:

Height 83" (211 cm)

Width 31" (79 cm)

Depth 17.5" (44 cm)

Call Cherokee if you are interested in the complete line of Howard Miller Products.
