FOOTPRINTS

LORD; you said that once I decided to follow you, you'd walk with me all the way, but I have noticed the most troublesome times in my life there is only one set of footprints. I don't understand why when I needed you most you would leave me.

The LORD replied, My precious child I love you and I would never leave you. During your times of trial and suffering when you see only one set of footprints it was then that I carried you.
